

## Class 1 Week by week

### Spring 2018: Week 1

Welcome back to everyone - especially Cody and Oliver, our new starters in Reception. It has been great to hear the children's Christmas news as we settle back into routines. They have been writing about their favourite presents in our First Friday Free Write this week.

Our new topic to start the term is Winter as we think about the changes we see and feel in the world around us. In art we have been creating a winter sky - inspired by the colours we see at daybreak and in the evening. Please keep a look out for the amazing colours and patterns in the sky at this time of year.

We are keeping a record of the weather too. The children want to find out how snow and ice form and we are measuring the temperatures to link this to weather conditions.

Mr Hills is joining Class 1 each Tuesday this term to develop singing and rhythm with us. The children enjoy his sessions - especially as he plays his guitar and invites them to join in with rhythm sticks!

### Next week

As Class 1 do PE first lesson, please remember to send your child to school in PE kit on Monday mornings with their school uniform to change into after PE.

Our story focus is Snow Bear - set in the Arctic - who has a wonderful time meeting new friends but needs help to find his way home.

On Tuesday morning we are having a musical performance in school through Sowerby Music. Two musicians will be playing live and asking for audience participation too!
