

Class 1 Week by week

Summer 2018: Week 2

This week we have been exploring ways to create poems and make up new rhymes. Y1 have used ideas from our Spring topic to make up some phrases with alliteration. Reception have been making up new versions of rhymes they know, using rhyming words. We have been performing these in class too.

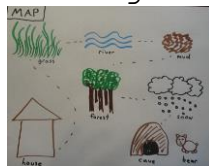

Weekly PE sessions will hopefully be outdoors now with the children developing athletics skills and striking and fielding. You can encourage your child by practising throwing, aiming and catching with them.

The children have explored the Muslim faith through our visitor. The focus has been on prayer and their special book - the Koran.

Next week

We will be creating a map of our route around camp for the Spring walk, plotting the photographs on the route. You might like to make some picture maps with your child of a journey they know well, perhaps your route to grandparents and the things they pass on the way.

We will be reading Jack and the Beanstalk story as a lead into our new topic of Growing Plants. If your

child has a favourite version of this story we would love to share it with the class.
