

LOVE-BOOKS-LIBRARY

Class 1 runs a small lending library for our pupils which is a valuable resource now that the mobile library no longer visits camp.

Children choose from a set of book packs the one they would like to bring home and share with parents. Some packs have toys or items related to the book and others have a CD. There are a range of stories, poems and information books for you to enjoy. Each pack has a notebook for you write in comments about the book and to let us know how much your child liked it.

This year the library books will be sent out on Tuesdays and you may keep them for up to a week. The children will not be able to pick another book until the current one is returned.

We hope you will enjoy the books and ask that you take care to return them in good condition. Please let us know if any parts of the pack are missing or you can think of things to add in to make them even better.
