

Class 1 Week by week

Autumn 2017: Week 3

Class 1 art focus has been to create a self-portrait in the style of a famous artist. Their paintings based on Van Gogh are now on display and an art folder has pastel self-portraits linked to Picasso. Please do drop into class to see these!

In Science we have been linking the five senses to body parts. You could extend this learning by talking with your child about the way they interact with the world around them through their senses, discussing likes and dislikes.

Y1 all did us proud at the KS1 Fun Run at Sowerby School. They all joined in and were really pleased with their performances, especially Leighton who came 1st overall - many congratulations!

All children now have their book pack from the Reading Force - please ask if you have any questions about the scrapbook.

Next week

In science we will be thinking about growing up, linking this eating and how we change from a baby into an adult.

Swimming and PE will return to normal next week - please come in PE kit Monday morning and bring school

uniform to change into.

Finally, a request for donations for our creative area. We would welcome any used birthday or greetings cards as the children love to collage with them.
