

Class 1 Week by week

Autumn 2017: Week 9

This week we have been finishing our Autumn topic with a weather watch - recording rainfall, wind and temperature outdoors. We have harvested the last vegetables from the garden to make a harvest soup.

Class 1 have started an exciting new initiative to enhance the children's learning experiences. This involves more time being spent working on challenges and learning in the outdoor area. This will be happening everyday unless the weather is really inclement, so please send your child in clothes appropriate to the weather.

Here Reception are acting out their own story ideas as the wizard turned the other characters into frogs! Just to let you know that we now have a Class login for Oxford Owl which allows you to access reading books at home:

<https://www.oxfordowl.co.uk/for-pupils/pupil-home>

User name: alanbrookeclass1

Password: class1

This is a great resource which also has a parent information link.

Next week

Just a reminder for any parents who missed Parents' Evening last week - Mrs Norris will be able to catch up with you on Thursday or Friday after school.

Please book your time for when it suits you.

Fri day will be a busy day as we are supporting Children in Need.

A letter should be in your book bag about the
activities.

Reception children will be given their flu
vaccination on Friday too.
