

## Class 1 Week by week

### Summer 2017: Week 2

Our Growing Plants topic has got off the ground and Flower Power has arrived in Class 1. Our Art challenge has been to create a Feelings Flower, choosing colours and materials to show the children's own ideas.

We have a visitor in the Outdoor area - a flowerpot Jack who is going to be climbing the beanstalk using the numbers on the leaves to show him the way.

Mrs Fawkes has also been busy enhancing the play area with some fantastic building bricks - don't panic Mums and Dads, they are soft play! Perfect for building a Giant's castle.

We have done lots of planting this week - beans seeds and sunflowers. We will be watching out to see how they change and grow. Y1 have decided to see what happens if they change the conditions for the seeds. So we have some growing in water, some with no water, some in a cold store room, some in rocks and some in the wind outside.

### Next week:

As the weather is improving we are spending more time outdoors.

This might be a good time to remind you about putting on sun screen before your child comes to school and sending in a sun hat/cap to protect them at playtimes.
