Dear Parents

We are always looking for ways to keep our children engaged in their learning. We recently asked Governors and School Council members how they thought we could further improve reading and enjoyment of reading in school. They have come up with a lovely idea.

Each class has chosen a 'reading mascot' that they will take in turns to bring home on a weekend. The idea is for children to share stories and books with the mascot and write a little bit in the mascot's diary as to what they have read. For KS1 children this could be a picture of them reading with the mascot or maybe you have gone somewhere different and shared a story together.

For some children, reading to an adult can be a little intimidating so we hope to take a little of that pressure away by using the mascots.

I'm sure you will agree this is a great idea for us to try this term and if it proves successful, one which we will happily continue.

As always thank you for your support in this important school priority.

Happy reading!

P.Todd
