

Class 1 Week by week

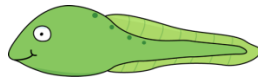

Summer 2018: Week 1

Welcome back to everyone. Our new topic to start the term is

Signs of Spring. We went on our Springwatch Walk wearing sun hats and wellies - very appropriate for Spring weather! We have also been learning the names of some of the flowers we saw - daisy, dandelion, forget me not and blossom on the trees.

You can help your child by looking out for changes they can experience in the world around them. We are watching the tadpoles grow and change in our outdoor area.

We are also keeping a record of the temperature and weather through the coming days. I expect the children will have noticed how the longer days let them spend time outdoors after school now.

In English we have been learning about performing poetry and reciting rhymes.

The children have enjoyed this and shown enthusiasm. We would love to hear some of their favourite poems or rhymes from home too.

Next week

We have a Muslim visitor coming into school on Thursday, so Mrs Norris has swapped Monday/Thursday teaching with Mrs Veakins who is the RE coordinator.

Class 1 are now doing PE on Monday mornings (please come to school in kit) and on Friday afternoon. Please check that kit - especially footwear - still fits and can be fastened by your child.

As the weather improves please can you provide appropriate sun protection - cream and a sun hat/cap. Your child may bring sun-cream in to apply themselves if needed.

Please talk with them about not sharing sun protection with others.
