

## Class 1 Week-by-Week

### Spring 2017 - Week 2

Class 1 have started the term with a positive approach and have settled back into routines.

Our SEAL\* topic this term is Going for Goals.

The children have thought about the things they would like to improve on in school and their ideas are displayed on the board in the hall. You may like to talk to your child about things they would

like to get better at doing out of school too and let us know.

\* *Social and Emotional Aspects of Learning*

#### 'Love-Books-Library'

The children have chosen their first book pack to bring home – we hope you enjoy sharing it with them and give us your comments in the booklet.

We have a new art display in class now from the Snowflake printing session last week.

We like to celebrate the children's achievements in art and hope you will find time to pop in to see them too.

Class 1 enjoyed their first music session with Mr Hills. The children were fascinated to hear him play his guitar as we learned some new songs. He also taught us some clapping games which involved a lot of listening and attention skills.

#### Next Week

We will be busy writing mystery stories and creating pictures to go with them. These will be going on display in the main entrance soon.

We are very lucky as on Wednesday morning Sowerby Music will be funding to musicians who will be performing live with a saxophone and clarinet.
