

Class 1 Week-by-Week

Spring 2017 - Week 1

Welcome back to school for Spring Term 2017 - we hope you all enjoyed the Christmas break. It has been good to hear the children sharing their experiences and being really excited about their family Christmas. Thank you for the lovely presents and cards we received too.

We are starting the term with a topic on Winter, learning how the weather and day length has changed and how this affects our everyday life and the world around us. A timely reminder about warm clothing for outdoor activities. Please encourage your child to be independent with putting them on and fastening coats.

Maths will be focusing on measuring, beginning with time and sequencing events. Your child will also have their Mental maths targets to work on – see homework folders.

Class 1 will be having a music session with Mr Hill every Friday morning this term. He is a percussion specialist and we are looking forward to learning new skills together.

Star Behaviour certificates will be given out each half-term instead of weekly.

Next Week

We will be starting our 'Love-Books-Library' in Week 2. This gives the children the opportunity to borrow book packs from school to share with their family. A letter explaining how it works will come home with the book pack.

Please send in PE kits and a water bottle on Monday which will come home on Friday.
Swimming will start again for Y1 on Thursday.

As always, please come in to see us if you have anything you would like to share with us.
After school is usually a quieter time for this.
