

Alanbrooke Advertis

This Spring half term we will be having a special focus on Health and Well-Being. As well as inspiring the children in ways to stay fit, we will be encouraging them in appropriate daily hygiene routines and teaching them about the benefits of healthy eating choices. We will also be using opportunities to talk about healthy minds, as we know how important this is in helping children to make the right choices.

You will have received the sponsor form explaining the Sports for Champions event we are holding on 19th March. Please can all money be in school by Friday 16th March at the latest, so we can sort the finances out with the athlete when they are in on the Monday. Money raised for school will be used to support School Council with their fund raising for playground equipment.
