July 2016

Issue: 13

## Sports For Champions

We had a brilliant morning with Junior Commonwealth medallist gymnast, Harry Owen, in school on Monday 4<sup>th</sup> July for our sponsored sport event. We were truly overwhelmed by all the money the children had raised ... a whopping **£820!!** A remarkable achievement!!

Under the terms of the agreement with Sports for Champions, the money has been divided between us and them. Their portion will help to fund athletes on their journey to the Olympics and Commonwealth championships and our portion for school will help replenish new sports equipment to use in school.

**A HUGE** thank you and congratulations to all that contributed. We really are very grateful for your amazing support.

## Attendance

Overall school attendance has generally been good this year. This is mostly to parents trying hard to make appointments outside of the school day.

Where this isn't possible, then mid-morning or afternoon appointments mean a child has already got their registration for the session and then returning to school for the rest of the day.

It is also due to the fact that parents are not leaving early at the end of a half term or taking holidays in term time.

We had aimed for outstanding attendance this year, at 98% but our actual outcome is: **95.35%**

**Thank you** for your support with this important priority; we will be looking to continue to improve on this next year.

**Please can you make sure you have brought your ParentPay account up to date before the end of the school term so that we can balance our accounts.**

**You can keep further up to date with events and happenings at school by accessing our website:**
