

Class 1 Week by week

Spring 2018: Week 8

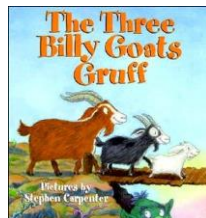

The big news from Class 1 is the arrival of the Queenie the bantam hen on Tuesday morning. She brought with her eight eggs which have been incubated and ready for hatching. There was much excitement on Wednesday when we could hear cheeping and tapping inside the shells. Thursday saw three eggs hatched before school started and two more through the day - science in action! We will be tracking their progress over the next few weeks.

Mr Hills is our music specialist who teaches in Class 1 on Wednesday afternoons this term. It has been amazing to see how the children have grown in confidence to join in with singing and also to perform solo.

This week we have become familiar with the Three Billy Goats Gruff story. We have thought about the actions of the characters and retold the story using repeated phrases. Next week we will be thinking about changing the story ending to a happier ending for all of the characters.

Next week:

We are holding our Spring Parents' Evening on Tuesday after school. This is a chance for you to come into school and see some of your child's achievements so far and discuss their progress in school. If anyone cannot make their appointment on that night please see Mrs Norris

so that we can rearrange it.
