

5th January 2021

Welcome back Year 3 and 4!

Happy New Year to you all. This is not quite the return to school we were looking for but we are ready for some virtual learning until we can see you in person again.

I hope you have all managed to accessed **Purple Mash** successfully. If you need any help please contact me or Mrs Holme via email (headteacher@alanbrooke.n-yorks.sch.uk or pholme@alanbrooke.n-yorks.sch.uk).

We will be using the **class blog** to let you know what your learning tasks will be, so make sure you check it daily. Also, we will be setting you '2dos' so make sure you check these as well.

To access the blog, login to Purple Mash and click on the 'Share' icon and then select 'shared blogs' and 'Our Home Learning'. This will open the blog. Read today's post on our Home Learning. There will instructions on what you will need to do for that day.

We have created Class 2 English, maths, topic and science home learning blogs where you will find those particular subjects tasks for the day. Other tasks for PE and creative topics will also be included on the main blog page.
